YOUR LIGHTHOUSE AGENT

Address:

We know how unpredictable life can be, and our agents understand the unique insurance challenges of South Carolina and what it takes to protect your family and home. Lighthouse can help you find your way through, no matter what twists and turns you face. We help guide your way to the right policy. Every Lighthouse policy is built with dependable coverage you can trust.

Our South Carolina products

Homeowners insurance is the most important step you can take to protect your home and belongings. A Lighthouse policy offers both property and liability protection.

Property:

We cover loss or damage to your home, additional structures and personal belongings. This includes damage from sudden events such as hurricane, fire, lightning, windstorm, hail, explosion, smoke, vandalism, theft and more. If your home can't be lived in after a disaster, we will cover increased living expenses while your home is being repaired.

Liabilitu:

Lighthouse policies include personal liability coverage, which helps protect you and your family. This includes coverage for medical costs, legal expenses and property damage when you are found liable, or legally responsible, for damages or injuries to others at your home.

Additional Protections:

Our policies were designed for the unique insurance challenges South Carolina homeowners face. Because of this, we offer a variety of options to suit your specific needs. Discuss these options with your agent to tailor the best policy for you and your family.

Available homeowner discounts include:

Age of dwelling

Claims free

Companion policy

Golden age

New purchase

Protective device

Secured community

Wind mitigation

Additional optional coverages include:

Additional personal property (jewelry, silverware, etc.)

Earthquake

Equipment breakdown

Extended theft

Golf cart (physical damage)

Identity theft expense and resolution

Lock replacement

Personal property replacement cost

Refrigerated personal property

Special computer

Structures rented to others

Water backup and sump overflow

DWELLING FIRE INSURANCE

A Dwelling Fire policy protects owner-occupied and rental residences by offering dwelling coverage. Our policy protects against hazards such as fire, hurricane, windstorm, lightning, and other perils. To tailor this policy to meet your needs, optional personal property and personal liability coverage may be added.

Physical damage to your property from flooding is not covered under a standard Homeowners or Dwelling Fire policy and requires a separate insurance policy. This Flood policy covers damage from the overflow of inland and tidal waters, mudflow, and rapid, unusual accumulation or runoff of surface water. This can include flooding from surface water sources such as rivers, lakes, wetlands, and oceans or rainwater that cannot drain into an existing drain system.
